Number of staff reporting to this position	Nil
Position purpose:	To manage and supervise Council's Road Maintenance Contract. To assist with technical advice and support in relation to roading activities as required and identified.
Position grade:	14
Date:	August 2025

## Organisation context

## Our Vision: Making a difference

We as a Council strive to make a difference in our community in everything we do. In our work, in our district, and in our staff culture.

Making a difference means doing your job to the best of your ability, to improve the district, the towns we live in, and the lives of the people who live in Matamata-Piako.

The way we do things, has a real opportunity to make a difference in the lives of those who live in our communities.

## **Our Mission: Working with the community**

Our mission is to work with the community to enhance the lives of all those in the district.

What we do has a direct effect on our community - the better the quality of our work and the more we work with our community, the better our community will be.

What we do matters.

## **Our Values: We do it right, we do it better, we do it together**

### **Expected behaviours**

#### **We do it right**

- We are accountable for our actions
- We take ownership of our work
- We provide great customer service
- We are professional in all our dealings with others
- We are aware of how our actions reflect on Council
- We are open and honest with each other
- We are trustworthy
- We are responsible for our own wellbeing and the wellbeing of our workmates

#### **We do it better**

- We are open to learning and change
- We are self-motivated and we use our initiative
- We learn from our mistakes
- We challenge the status quo
- We strive for continuous improvement
- We are friendly, helpful and flexible
- We are solution centred

### **We do it together**

- We work together as one team
- We respect and accept the views of others
- We are informed and we keep others informed
- We share our knowledge with other teams
- We celebrate success
- We are actively involved as part of the team

---	---

**Note**

*The above performance standards are provided as a guide only. The precise performance measures for this position will need further discussion between the jobholder and manager as part of the performance management process.*

## Work complexity

Most challenging duties typically undertaken:

- Writing roading contract specifications.
- Making cost effective decisions for road maintenance activities.
- Undertaking tender evaluations.
- Processing complex High-Productivity Motor Vehicles (HPMV) and Overweight permits.
- Negotiating with customers.
- Co-ordinating roading related response during emergency events.

## Key relationship skills

Key internal and/or external contacts	Nature of the contact most typical (e.g. courtesy, giving/receiving information, explaining things, liaising, advising, gaining cooperation, facilitating, influencing and persuading, resolving minor conflicts, mediating, formal negotiation, supervising, leading.)	Frequency of interaction D - daily / W - weekly M - Monthly
Public	<i>Advising, resolving minor conflicts, giving/receiving information, explaining things</i>	D
Team Leader	<i>advising, facilitating, giving/receiving information, explaining things</i>	D
Manager	<i>advising, facilitating, giving/receiving information, explaining things</i>	W
Contractors	<i>Negotiating, influencing and persuading, resolving minor conflicts, mediating, giving/receiving information</i>	D / W

Examples of the situations that require the use of the highest level of communication or influencing skills:

- Communicating with property owners or their representatives where misuse of the road pavement/corridor has occurred.
- Negotiating with contractors who are late on delivering their contract timeline or fail to meet contract specifications.
- Communicating with members of the public with high expectation but little knowledge of processes and legislation.

Examples where the role co-ordinates or provides coaching or monitors the work of other people not reporting directly to the role (e.g. contractors)? Two examples, how often?

- Supervising roading related contracts with contractors.
- Co-ordinating contractors during/after major weather or emergency events.

## Person specification

This section is designed to capture the expertise required for the role at the 100% fully effective level. (This does not necessarily reflect what the current jobholder has.) This may be a combination of qualifications/experience, knowledge or equivalent level of learning through experience or key skills, attributes or job specific competencies.

Essential	Preferred
<p><b>Education and qualifications</b></p> <ul style="list-style-type: none"> <li>• Full NZ Drivers Licence</li> <li>• CoPTTM qualifications</li> </ul> <p>Working knowledge of NZGTTM</p> <p><b>Knowledge and experience</b></p> <ul style="list-style-type: none"> <li>• At least 3-5 years' experience in a similar role</li> <li>• Familiar with Think Project (RAMM) Dispatch for processing monthly claims</li> </ul>	<ul style="list-style-type: none"> <li>• New Zealand Certificate in Engineering (NZCE) or Diploma in Civil Engineering</li> </ul> <p>Technical qualification/s relating to CoPTTM and/or NZGTTM</p> <ul style="list-style-type: none"> <li>• Think Project (RAMM) qualification/experience</li> </ul>

### **Skills & Competencies**

- Adaptability - Understanding and appreciating different and opposing perspectives on issues: adapting an approach as the requirements of the situation change.
- Analytical Thinking - Can gather detailed information and investigate issues in detail to identify trends, patterns and core issues.
- Attention to detail - ability to accurately check processes , tasks and / or information no matter how small
- Commitment/Personal Accountability - Is self motivating and self managing. Follows through projects to completion. Has high standards of personal integrity and professionalism.
- Contract Supervision - Has proven ability to supervise physical works and service contracts.

### **Change to position description**

From time to time it may be necessary to consider changes in the position description in response to the changing nature of our work environment – including technological requirements or statutory changes. This position description may be reviewed as part of the preparation for performance planning for the annual performance cycle or as required.
